2021	570.76	510.21

Average reading performance of year 6 students by school locality, Cook Is, PILNA 2021

Three out of four year six students are enrolled in schools in urban areas, with roughly one out of four enrolled in a non-urban school. Figure CRF6.7 shows the average performance of year six students by school locality. Year six students in urban schools achieved higher reading results on average than those in non-urban schools. This is consistent with the two previous PILNA cycles as shown in Figure CRF6.8.
