

Year four writing performance by school locality

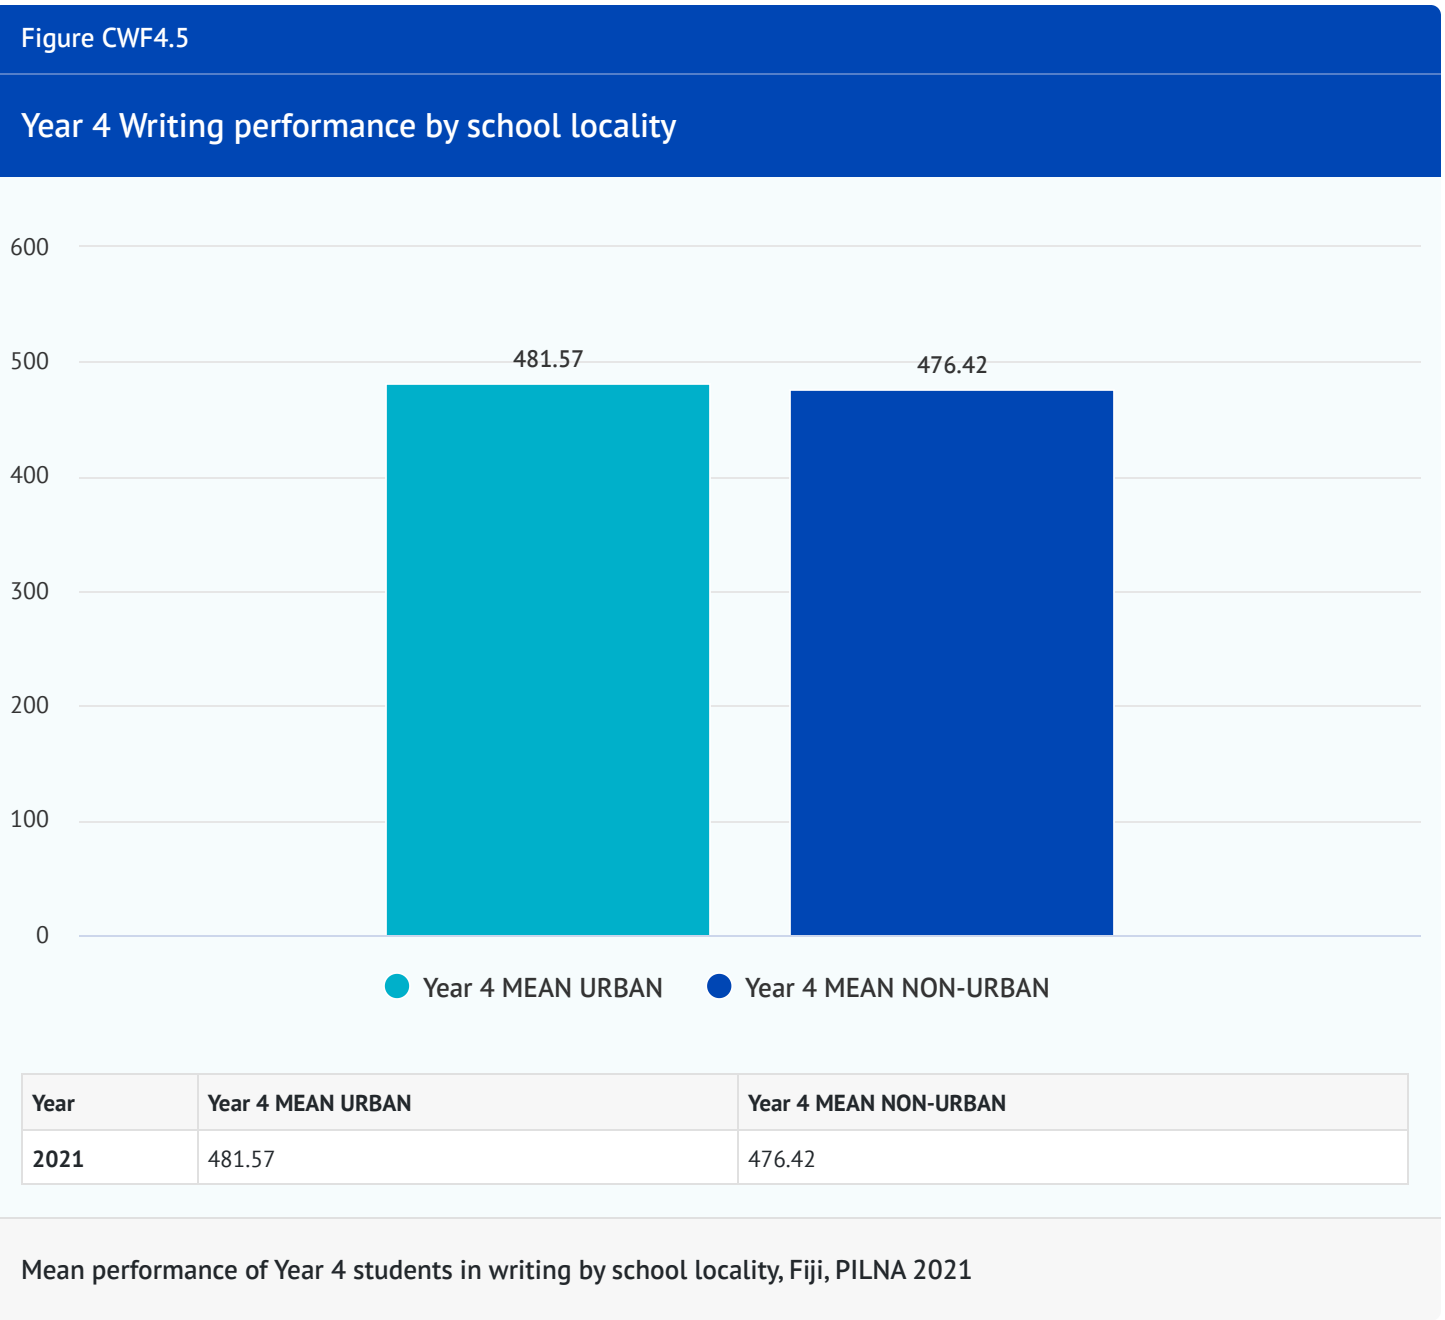

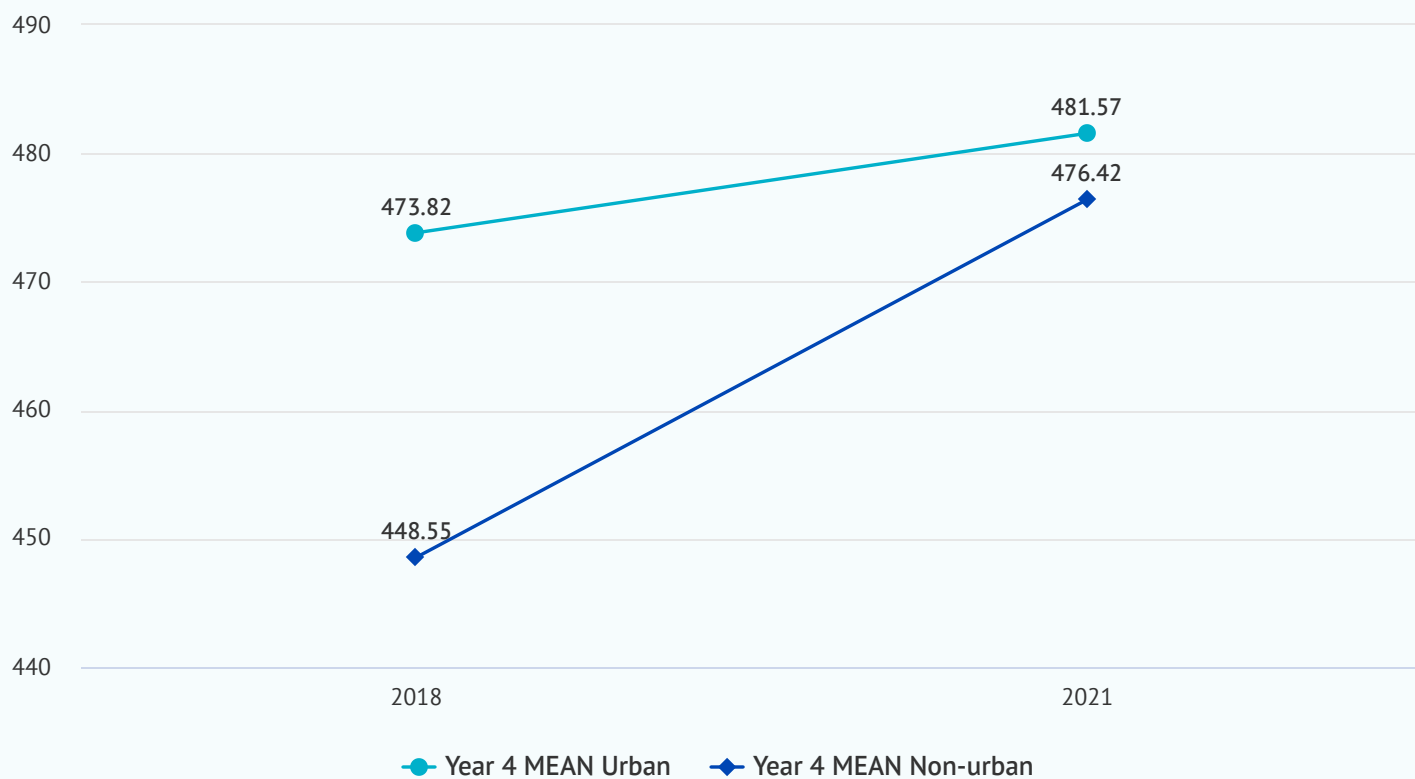

Figure CWF4.5 shows the performance of year four students by school locality. Writing performance in PILNA 2021 was about the same for students in urban schools and non-urban schools.

Figure CWF4.6 also shows the writing performance of year four students by school locality over time. A difference is seen in the 2018 PILNA cycle, when students from urban schools scored higher than in students in non-urban schools.
