

[2021 Papua New Guinea Report](#) / [Get to know](#) / [Teachers](#) / [Resources](#)

Resources

The resources teachers have at their disposal define the type of learning they can provide to their students. This includes the textbooks they provide to students, but it also includes the environment they work in and the time they have to complete their teaching and administrative tasks.

This section outlines how teachers in Papua New Guinea feel about the resources they have available.
