## Year 4 Writing performance by school authority

Year	Year 4 MEAN GOVERNMENT	Year 4 MEAN NON-GOVERNMENT
2021	468.61	482.7

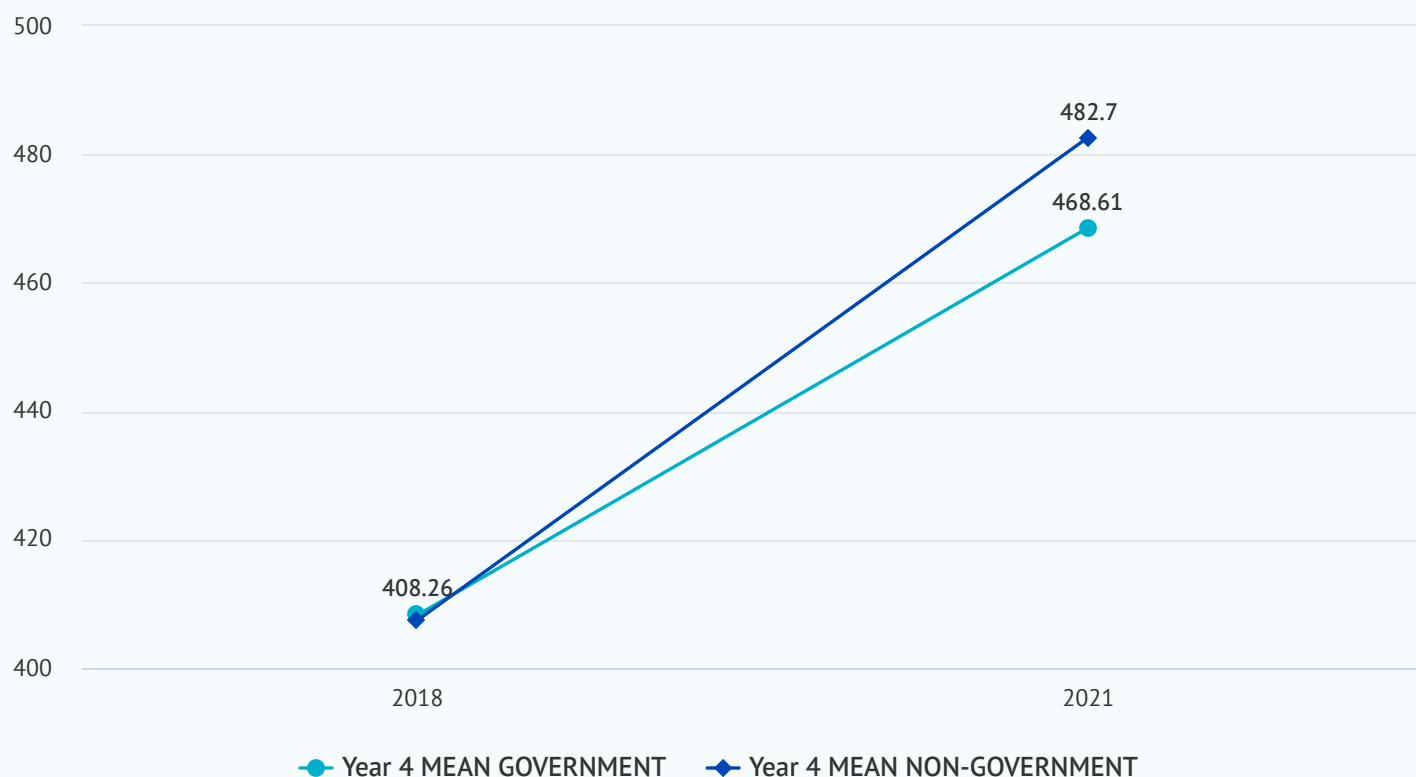

Mean performance of Year 4 students in writing by school authority, Tuvalu, PILNA 2021

Figure CWF4.5 shows the average performance of year four students by school authority. Students in non-government schools scored higher in writing than students in government schools. This is different from PILNA 2018, when there was no

performance difference between students enrolled in government schools and those in non-government schools (Figure CWF4.6). Further statistical testing needs to be done to understand if the differences in scores are significant or the result of chance or outliers.
